

Curriculum Vitae

Bahri Fatih Barbaros

Contact Information

Email: Barbarosfatih95@gmail.com

Personal Information

Born in Istanbul in 1995. Turkish Citizen.

Education

Ph.D. student in Mathematics, 3/2021 – Present
Boğaziçi University, Istanbul, Turkey

M.Sc. in Mathematics, 9/2018 – 2/2021
Thesis Title: Langlands Reciprocity Principle for $GL(n)$
Thesis Advisor: Prof. Kazım İlhan Ikeda
Boğaziçi University, Istanbul, Turkey

B.Sc. in Mathematics 9/2013 – 6/2018
Boğaziçi University, Istanbul, Turkey

Employment and Teaching Experience

Teaching Assistant, 11/2022 – Present
Boğaziçi University, Istanbul, Turkey
- Linear Algebra (Fall 2022)

Teaching Assistant, 5/2022 – 11/2022
Istanbul Commerce University, Turkey
- Point-Set Topology (Summer 2022)

– Teaching assistance (unofficial) for some number theory and geometry courses at
Boğaziçi University. 2019 – 2021

Areas of Interest

Interested in algebraic number theory, algebraic geometry and representation theory.

Honors & Scholarships

2205 - A National Scholarship Programme for B.Sc. Students
The Scientific and Technological Research Council of Turkey (TÜBİTAK)

Talks

- “*On the field of p -adic numbers*” *Part 1 and 2*, Joint Mathematics and Physics Seminars, Boğaziçi University, Istanbul, 10/2019.
- “Langlands Reciprocity Principle for $GL(n)$ ”, Math Graduate Seminars, Boğaziçi University, 4/2021.

Languages

Acquired an advanced level English and an intermediate level French.
